. . . A Foreword

There exists in the universe a world of color and imagination that few people know. It is a world of thoughtful exploration and analysis. It is the world of knowlege. The greatest ability of mankind is his ability to understand, but it is the doers in this world, not the learners, who are best remembered. Nearly two million years ago there began a journey that continues to today, and never can end. Man began his conquest of the earth as he was meant to, but in knowlege and understanding alone has he found the power. There are no absolutes. Ideas and thoughts die, and new ones spring up to take their places. We have before us many millinea of slow, painful progress, but do not shirk your duty because of this. What matter if you will never know all things, if you can help point the way to others?

OUR BISHOPS

Presbyters of Christ

Most Reverend David F. Hickey
Confessor of students, Kapaun High School

For the last several years Bishop Hickey has often been observed in the halls of Kapaun High School. The Bishop serves as Confessor for the student body of our school. Any student with a problem knows that he can take it to the Bishop and he will receive advice from the Bishop's unquenchable storehouse of knowledge. Before he came to Kapaun Bishop served in Jesuit missions in Africa and the Honduras. His counseling often serves to help the students find their own way of serving Christ in the world after graduation. Last year Bishop Hickey celebrated his Sacerdotal Jubilee.

Most Reverend Mark K. Carroll
Retired Bishop, Diocese of Wichita

Kapaun owes its existence to Bishop Carroll. It was his dream that Wichita, would have a Catholic high school dedicated to educating its young men in the tradition of the American parochial school system. The Bishop, now retired, served as Apostolic guide for the Wichita Diocese for many years.

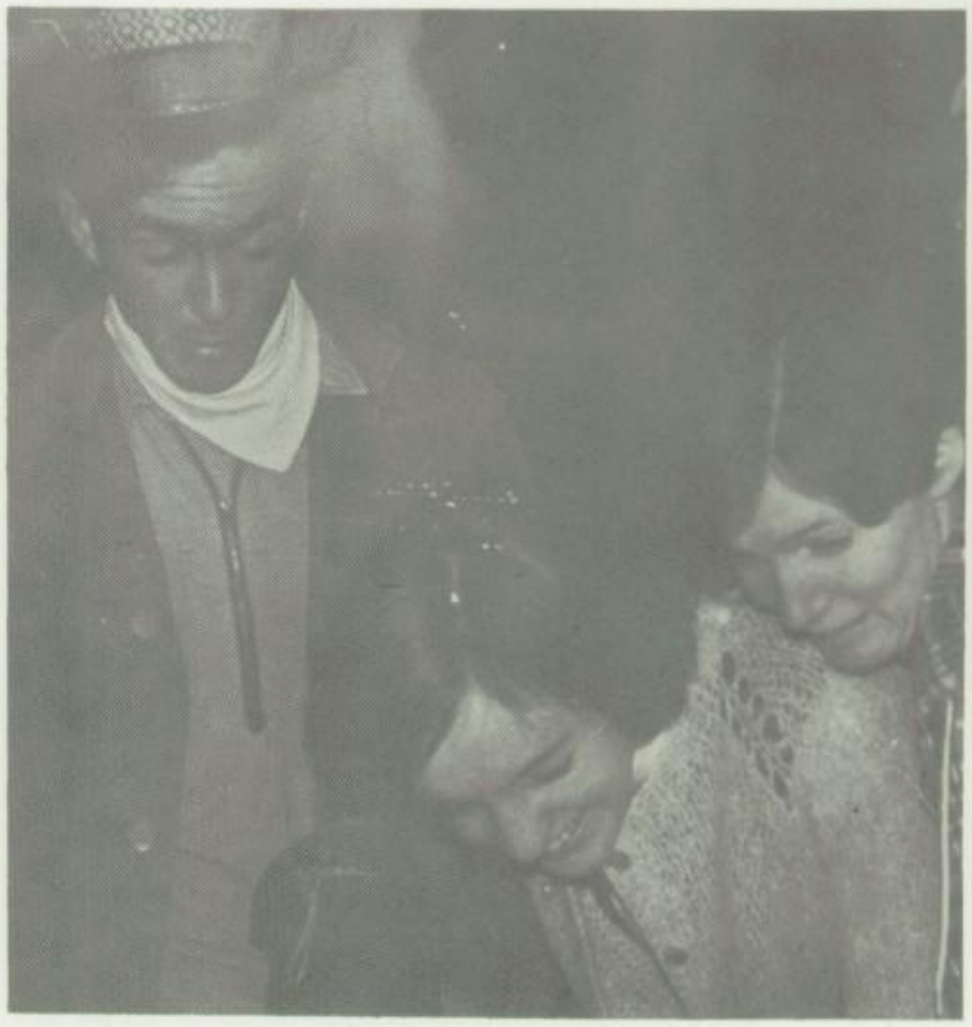
STUDENT CARNIVAL

Carnival breaks tradition, becomes student body project.

The 1967 Kapaun Carnival saw the end of one of the school's best known traditions. Instead of the usual Senior Carnival, a Student Carnival was held with all classes becoming involved. This year the Carnival was handled by the Student Council rather than by the Seniors. A share in the profits provided the motivation. Seniors received 70%, Juniors 17 1/2%, the Sophomores 7 1/2%, and the Freshmen 5%.

On October 20, before and after the Kapaun-North game, O'Shaughnessy Hall was filled with excited students and their families and friends. All found much to interest them. Twenty-three booths were manned by enterprising students. The poker tables, pie throw, dunk pond and all the other old crowd pleasers were there along with some new and exciting booths.



PAT GAUGHAN heaves to with a pie at Brent Herrig.

SENIOR RETREAT

discovery of themselves

Every year the seniors have closed retreats which are aimed at helping the students prepare for the world they will live in after Kapaun. The schedule is arranged so as to bring the fullness of the program across to the retreatants. Daily talks, mass, and the rosary are among the spiritual exercises that make up the day. Contemplation in rooms and on the spacious grounds help the retreatants discover for themselves individually the truths of the retreat. The inevitable monotony of the day is relieved by an afternoon coke break and exercise period. Good home cooked meals alleviate any feeling of monotony which may creep into the daily life of prayer.

PARTAKING in a daily retreat exercise, the Holy Mass, retreatants receive Communion under both species. Sutter takes from the chalice as Fr. Fedderer assisted by Mike Lickteig distributes the host.

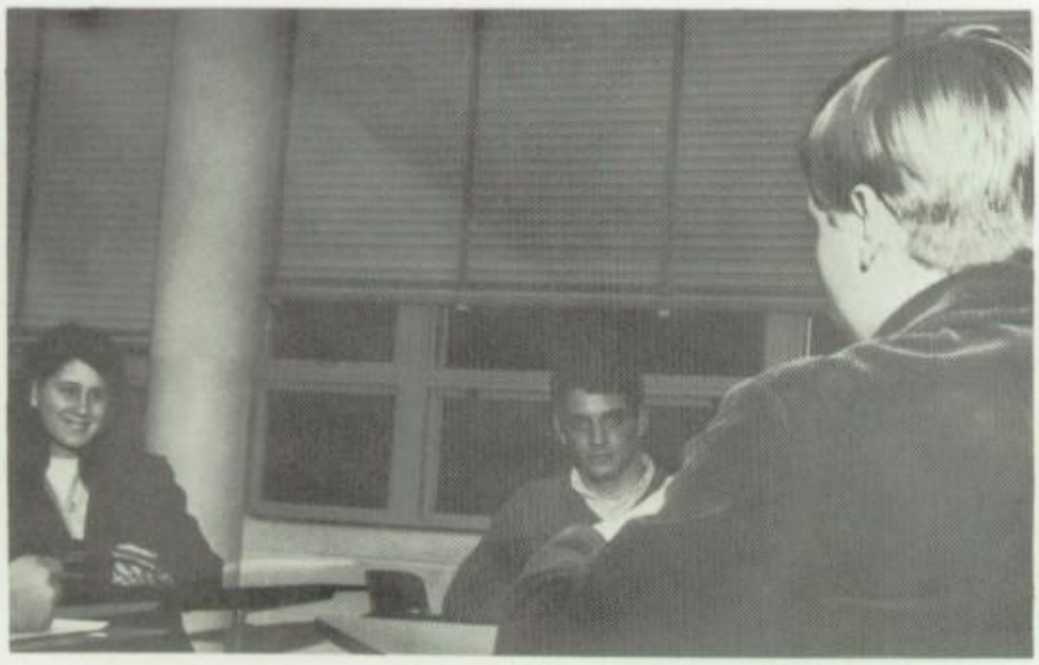
SODALISTS from Mount Carmel interact with Kapaun's own in round table discussions.



SODALITY

A gathering of Christians whose aim is neither discussion nor apostolic action, but who do both; a group whose membership includes the widest range of personalities and background experiences, yet harmonizes all into an experience of basic Christian community. This unity within diversity is, perhaps, the central paradox and the strength of Ka-

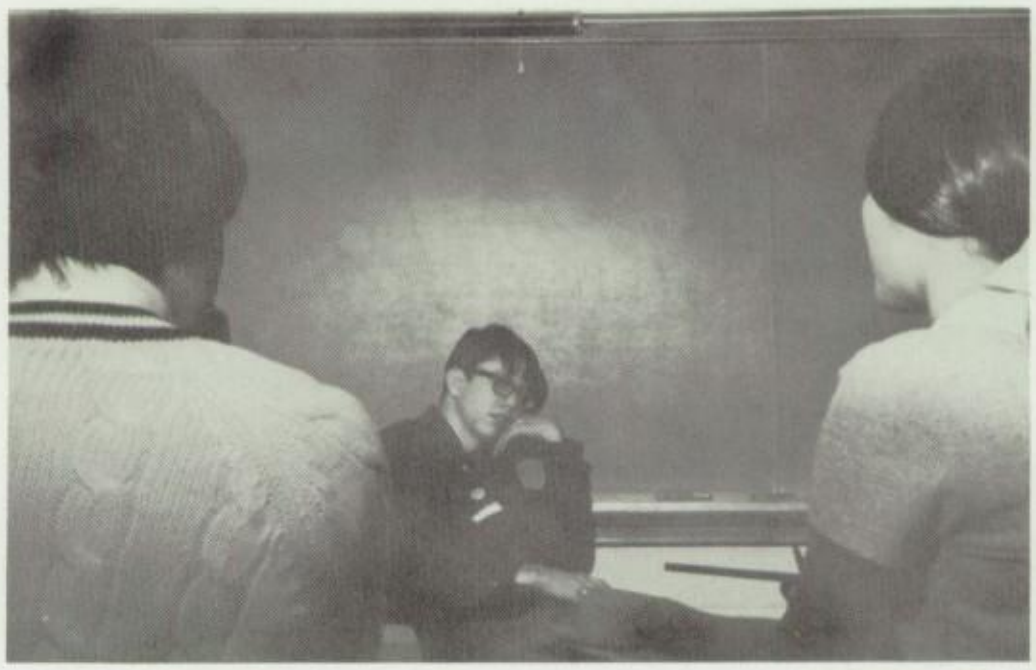
paun's sodality. Composed of senior and junior "leaders," the group is kept purposely small to provoke a more intimate group sense and to provide a highly concentrated base from which members, with assists from Fr. Byrne, Mr. Bader and Mr. Grout, can move out apostolically into school and community.

THE GIVE AND TAKE of discussion provokes much reflection.



MAMA'S AND PAPA'S

home and school

draw closer together

This year witnessed a new direction in home-school interchange, with the institution of monthly parent-teacher discussions. Divided into small groups, Kapaun parents had a chance to express, in an open atmosphere, their common concerns for the school. By such free give-and-take, both school and home drew closer together, in efforts to provide the best possible education for Kapaun students. The goal of these meetings was to provide a working dialogue concerning the goals and policies which will guide the students of Kapaun through their high school education. It is generally agreed that home-school relationship has become more pertinent.

1968 brought the chess club back into existence at Kapaun High School. Under the leadership of Chuck Mills and Mr. Walendy, a call for players brought twenty-five stalwart souls to the ranks of intellectual gamemanship. Intramural matches were set up and the chess club was based in the Library. Matches with other teams in the city took place in the beginning of the second semester. The existence of the chess club provides a base for the development of a strong intellectual background of the students involved. Chuck Mills, president, was pleased with the turnout and spent many hours organizing the matches, intra and extra mural.

The Honor Society is a highly select group of some twenty Seniors and Juniors who have excelled in areas of scholasticism, leadership, character, and integrity. This organization is, in point of fact, a society of excellence, in which students are encouraged to pursue academic goals. The Kapaun Honor Society is a division of a nation-wide organization which, among other things, makes available to worthy students financial aid in the form of college scholarships.

The Honor society this year is moderated by Mr. Dennis Roach, who has initiated several improved innovations such as early induction ceremonies and guest speakers who lecture at regular meetings. Also this year, Juniors have been admitted to the formerly all-senior organization. Kapaun can be justly proud of these upstanding students who have excelled so highly in their work.

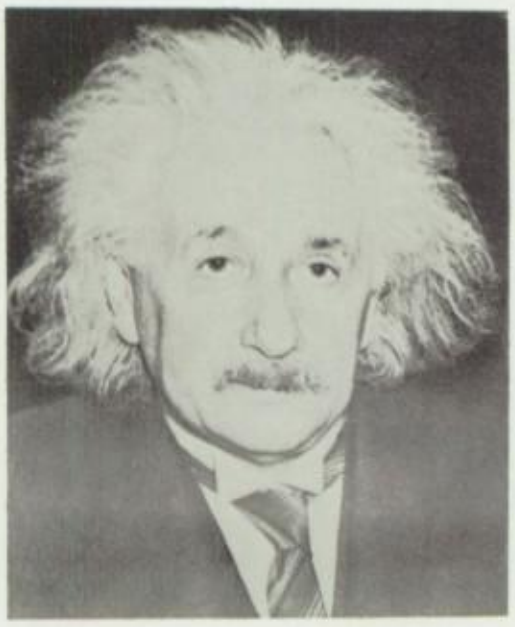
OUR GUARDIAN



The 1967 Kapaun Herald saw several changes in staff and content. Editing this year's paper were Tim Osburn and Loren Benoit. Newcomer Don Letourneau took over post of managing Editor, with Pat Malone, Business Manager, one of the two Junior editors this year. Sports editing in the first semester was done by Jack McKinney

This year's Herald staff was informed by the National Scholastic Press Association that its rating in a nation-wide service had gone up to First Class, for the first time in the eleven years of publication. In order to continue the trend of improvement a schoolwide poll was taken in November and ideas of the student body were then incorporated into the following issues.

A greater amount of cartoons and photographs were injected into the issues to provide more visual coverage for the student body. The Herald attempted this year to really become the voice of the students. Approximately three times as many letters to the editor were published than in previous years.

At the beginning of the new year the new staff took over the Herald. The staff is comprised: Don Letourneau and Pat Malone, co-editors; Greg Osburn, feature editor; Chuck Mills, business manager; Charles Beard, sports editor; Bill Farmer, Photographer; Tony Lickteig, circulation manager.

YEARBOOK STAFF MEMBERS hanging around in the attic: (Left to Right) Mr. Henry Kennington, Joseph Schleicher, Patrick Smiley, Dan Kriszcziokiatis, Mike Law, and Mike Unrein.

The 1967 Kapaun Crusader marks a year of change. This year the cover was changed from the traditional blue and white to the more vibrant olive and gold. The design was left to the competition of the art classes. Eventually the staff chose the winning design and decided upon the colors that have been used.

The general tone of the yearbook is one of experimentation. Creation is the watchword and perfection the goal. Under the leadership of editor Joe Schleicher and business manager Pat Smiley, the staff composed of Mike Unrein, Mike Law, and Dan Kriszcziokiatis labored many hours each day after school and on weekends to complete the arduous tasks which combine to produce this pictorial memory of the '67 and '68 school year. Towards the end of the first semester these men were joined by the team of Tim Osburn and Paul Walters in completing the work of the final deadlines. Mr. Henry Kennington S.J., served an inspiring moderator who continuously provided much needed advice.

EMPLOYING THE MOST MODERN equipment and methods in yearbooking, the staff still manages to get bogged down in knotty problems.

This year's debate squad showed a tremendously improved team. Debating on the topic of crime prevention a group of determined students, mainly juniors, brought to the team a mature stance. Through the method of holding informal "classes" in debate, an improved style that netted a trophy from every tournament, save one, was brought to this hardworking group. Hours of research provided strong, balanced cases which were presented with skill and finesse, Pat Malone and Chuck Immich proved to be Kapaun's finest team.

BEZZI POINTS OUT PERTINENT DETAIL in rebuttal to Malone's argument.

DRAMATICS

Fantasticks — a parable of love

The first production of the drama department for this year was one of the most well received in the history of the school.

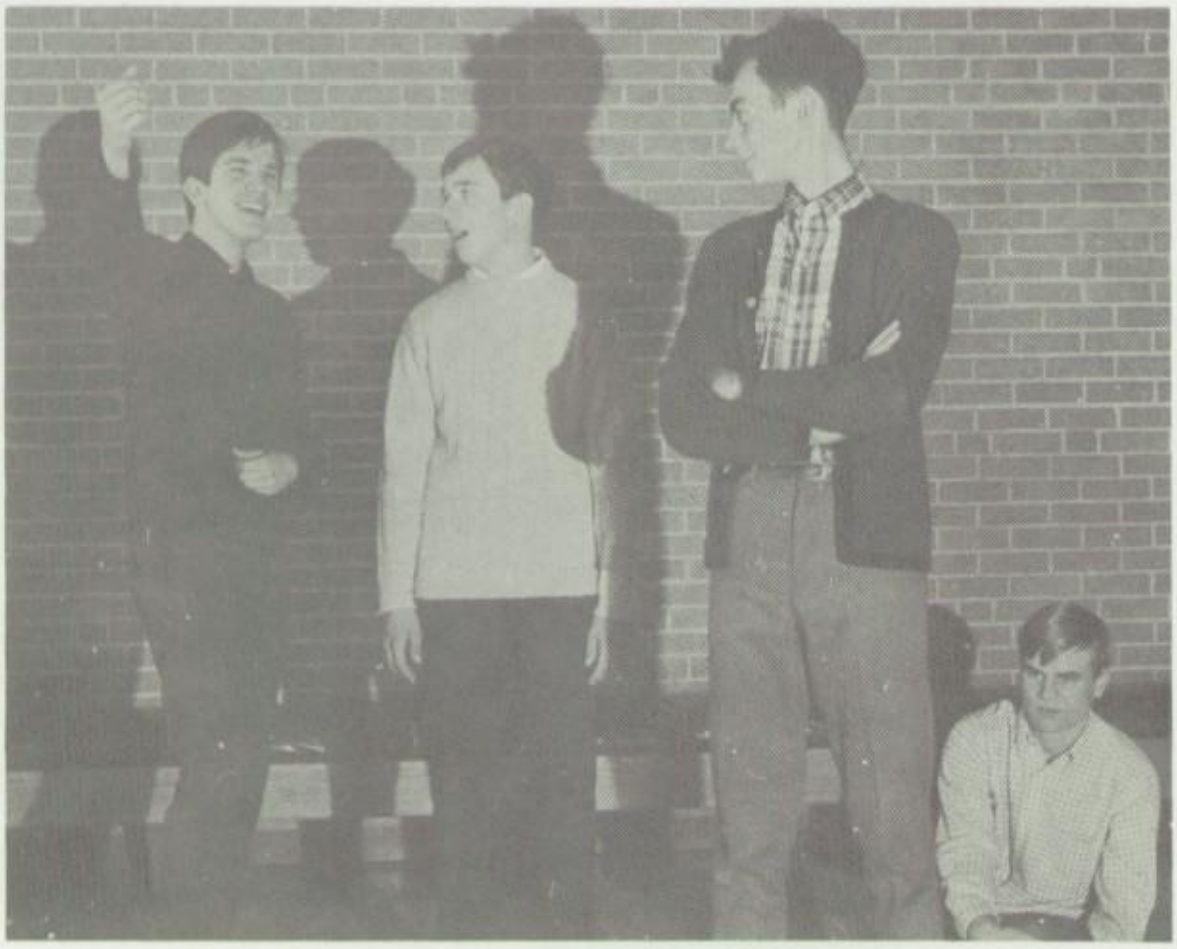
The Fantasticks has proven to be one of the most popular plays in the history of the theatre. It was written by Tom Jones and Harvey Schmidt, but it found its basis in an old French play, *The Romancers,* by Rostand. The play first opened in Greenwich Village, New York, in 1960 and has been running there with incredible success ever since.

The Kapaun Players decided to undertake the play in the Spring of 67 and tryouts were begun at the beginning of the school year. Mr. Thomas Norman S. J. directed; the cast was composed of Tom Bezzi as The Mute, Giff Booth as Mortimer, Tom Broderick as El Gallo, Vance Coukoulis as Matt, Karl Johnson as Henry, Tim Osburn as Bellamy, Paul Walters as Hucklebee, and Kathy Virgilio as Luisa. Mr. Roach, Sister Raphael, Ashly Jones, and Dave Steele lent their musical talents. The admirable task done by the stage crew was under the direction of Mr. Bader.

The talents and work of all proved to be most beneficial as the play was judged to be a marvelous success from opening night. Drama again has proved to be one of Kapaun's top activities.

Discussing magnificently upon wonders of the cosmos, Henry and Mortimer convince Matt to see "The World."

Realizing that they have both been hurt, Matt and Luisa find their love has become more beautiful.



Henry expounds to Mortimer & El Gallo on the glories of "The Theatre."

Hucklebee and Bellamy revel in the beauty of vegetables as a bemused El Gallo listens in.

The lovers gaze at each other; El Gallo and the Mute watch, knowing of the hurt to come.

STAGE CREW

unknown heroes

Front row (Left to Right): Tim Malone, Don Weiss, Dave O'Donnell, Bob Ablah, Guss Dettbarn, Dan Dwyer, Mark Schiffler, Frank Ryan, Greg Buehne. *Above* Joe Goodwin, Mike Doherty, Tom Broderick.

The stage crew is just what the name implies. It is a crew or group of young men who devote their free time to working on the stage getting ready for plays and other dramatic productions. The crew does everything that is to be done back stage, before, during and after the performance of a play. The stage crew builds all the scenery, arranges all the lights and sets up the sound required for a production. The crew is divided into two divisions, the technical, and the construction. The technical engineers the lighting and the sound, while the construction builds the sets and arranges the scenery before the play and then between scenes and acts.

This year the Kapaun Players put on three productions. Our first one was, "The Fantasticks". This play took approximately seventy-five man hours of work per stage crew member, to build and plan the sets and lighting arrangements. Under the direction of Mr. Bader, S.J., the stage crew this year will have devoted about four hundred hours of work this year to the stage.

Aggressive team play sparks Kapaun offense.

Kapaun's 1967-1968 basketball season found our team giving every opponent strong challenges, and we invariably won or lost by close scores. A scrappy team, small by city league standards, brought home its attack with an always exciting run-and-gun offense. Leading the challenge were six returning lettermen. Playmaker Greg Levian through hustle, fine ball handling, and a good jump shot from the top of the key earned high ranking among the top starting guards in the city. Roger Hickel, teaming with center-forwards Larry McDowell and Geoff Engen, frequently controlled the rebounding and inspired both team and fans with his tremendous hustle. Norm Moeder and Chris Moore, likewise, earned respect on the boards and gave the team maturity and depth. Coming up from the sophomore ranks in mid-season, guard John Angulo and center Brian Schreck offer strong potential for next year's team.

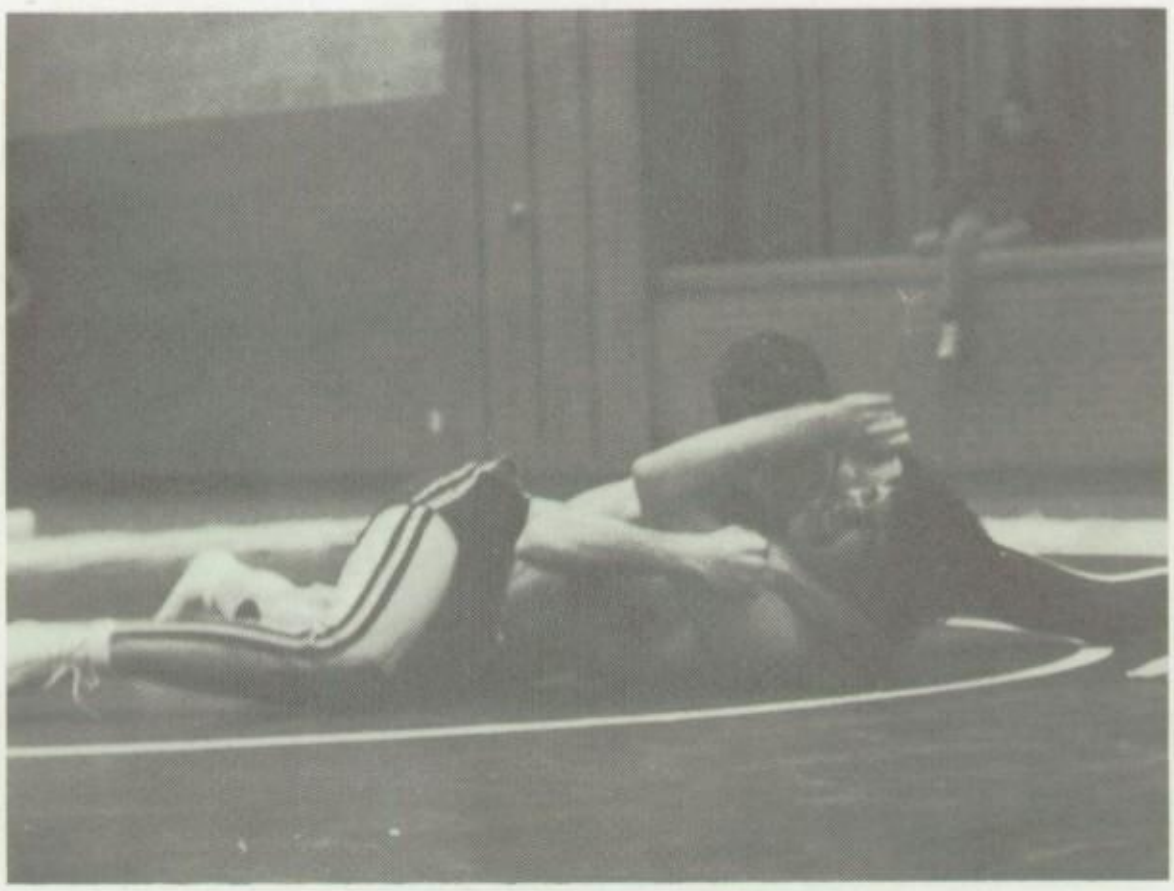
SHOWING GREAT DETERMINATION Kapaun wrestler overcomes Douglass opponent.



Kapaun High School is famed for its outstanding wrestling teams and this year's squad was no exception. The team won a majority of their matches and the ones they lost were characterized by a tough hard effort by all of the Big Blue's men. Mr. Wyss, head coach, predicted the season would be successful and he proved right as usual. The team put in many hours of practice to produce a team that emerged as one of the most feared in the city. All in all wrestling proved the great success that Kapaun is proud of.

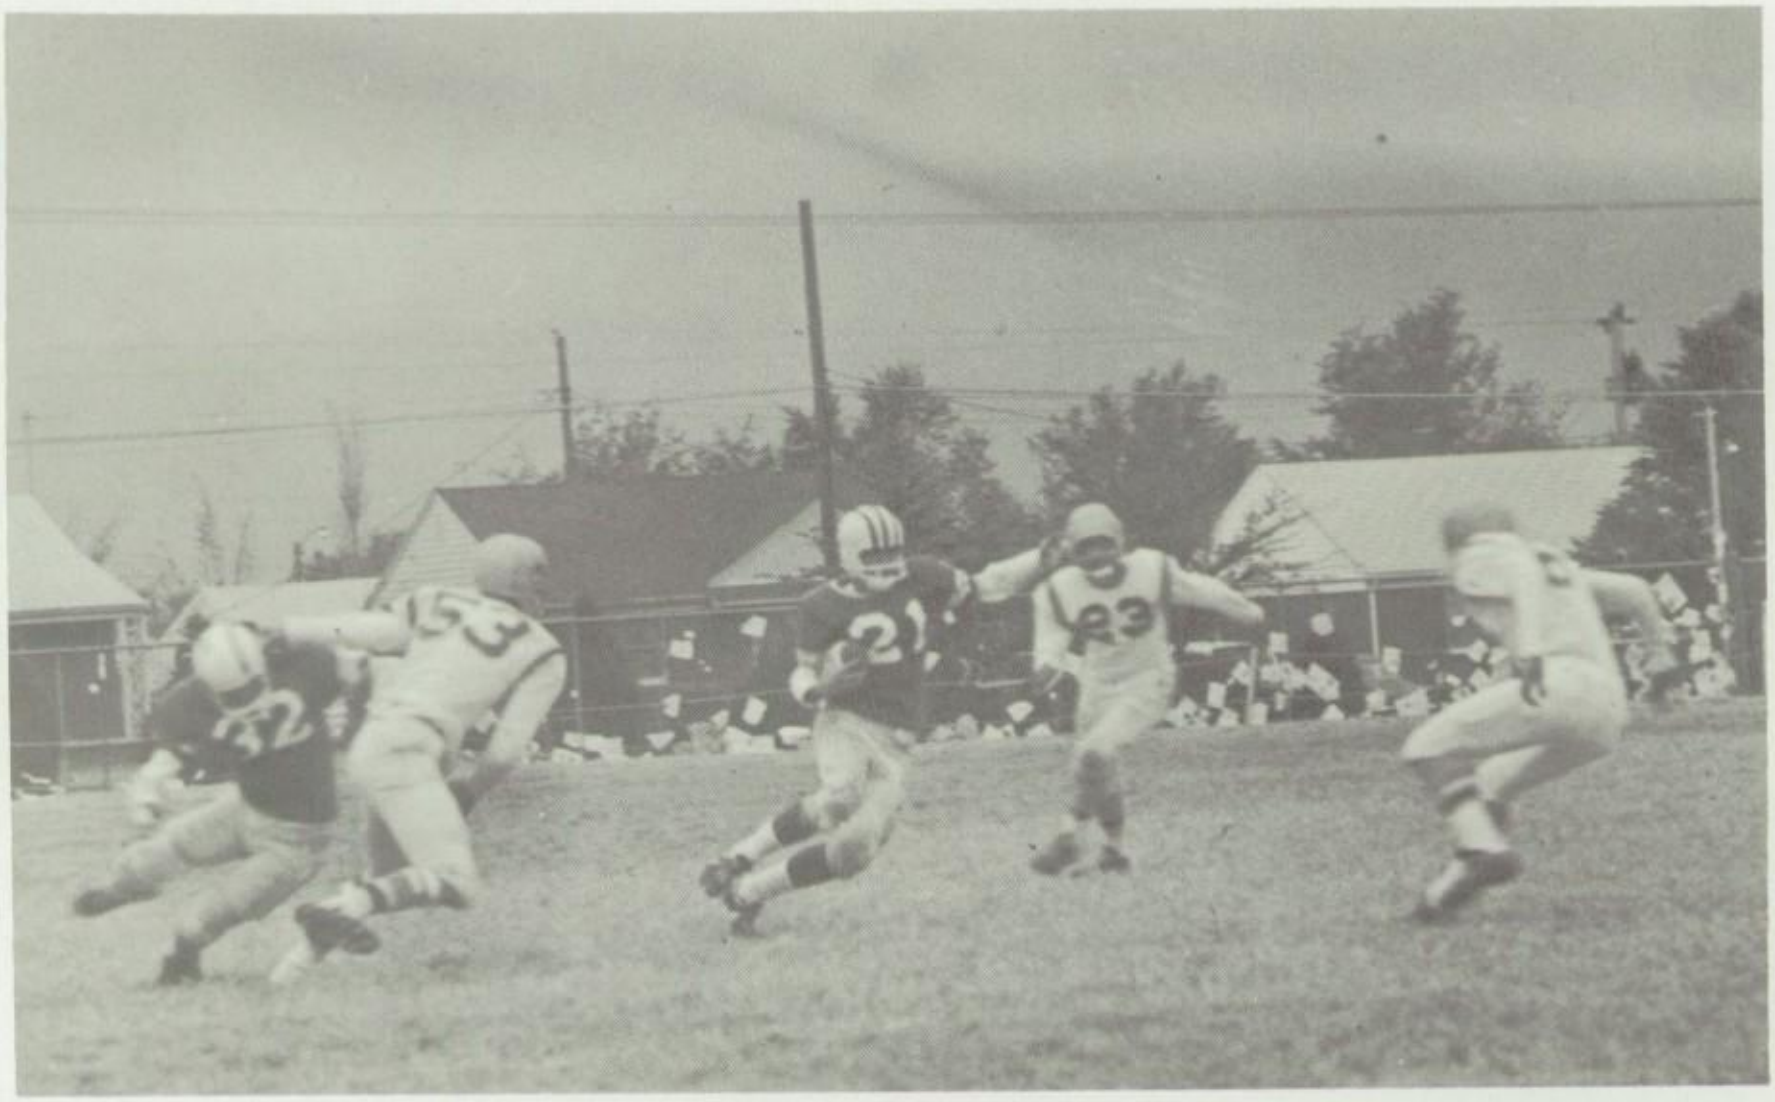
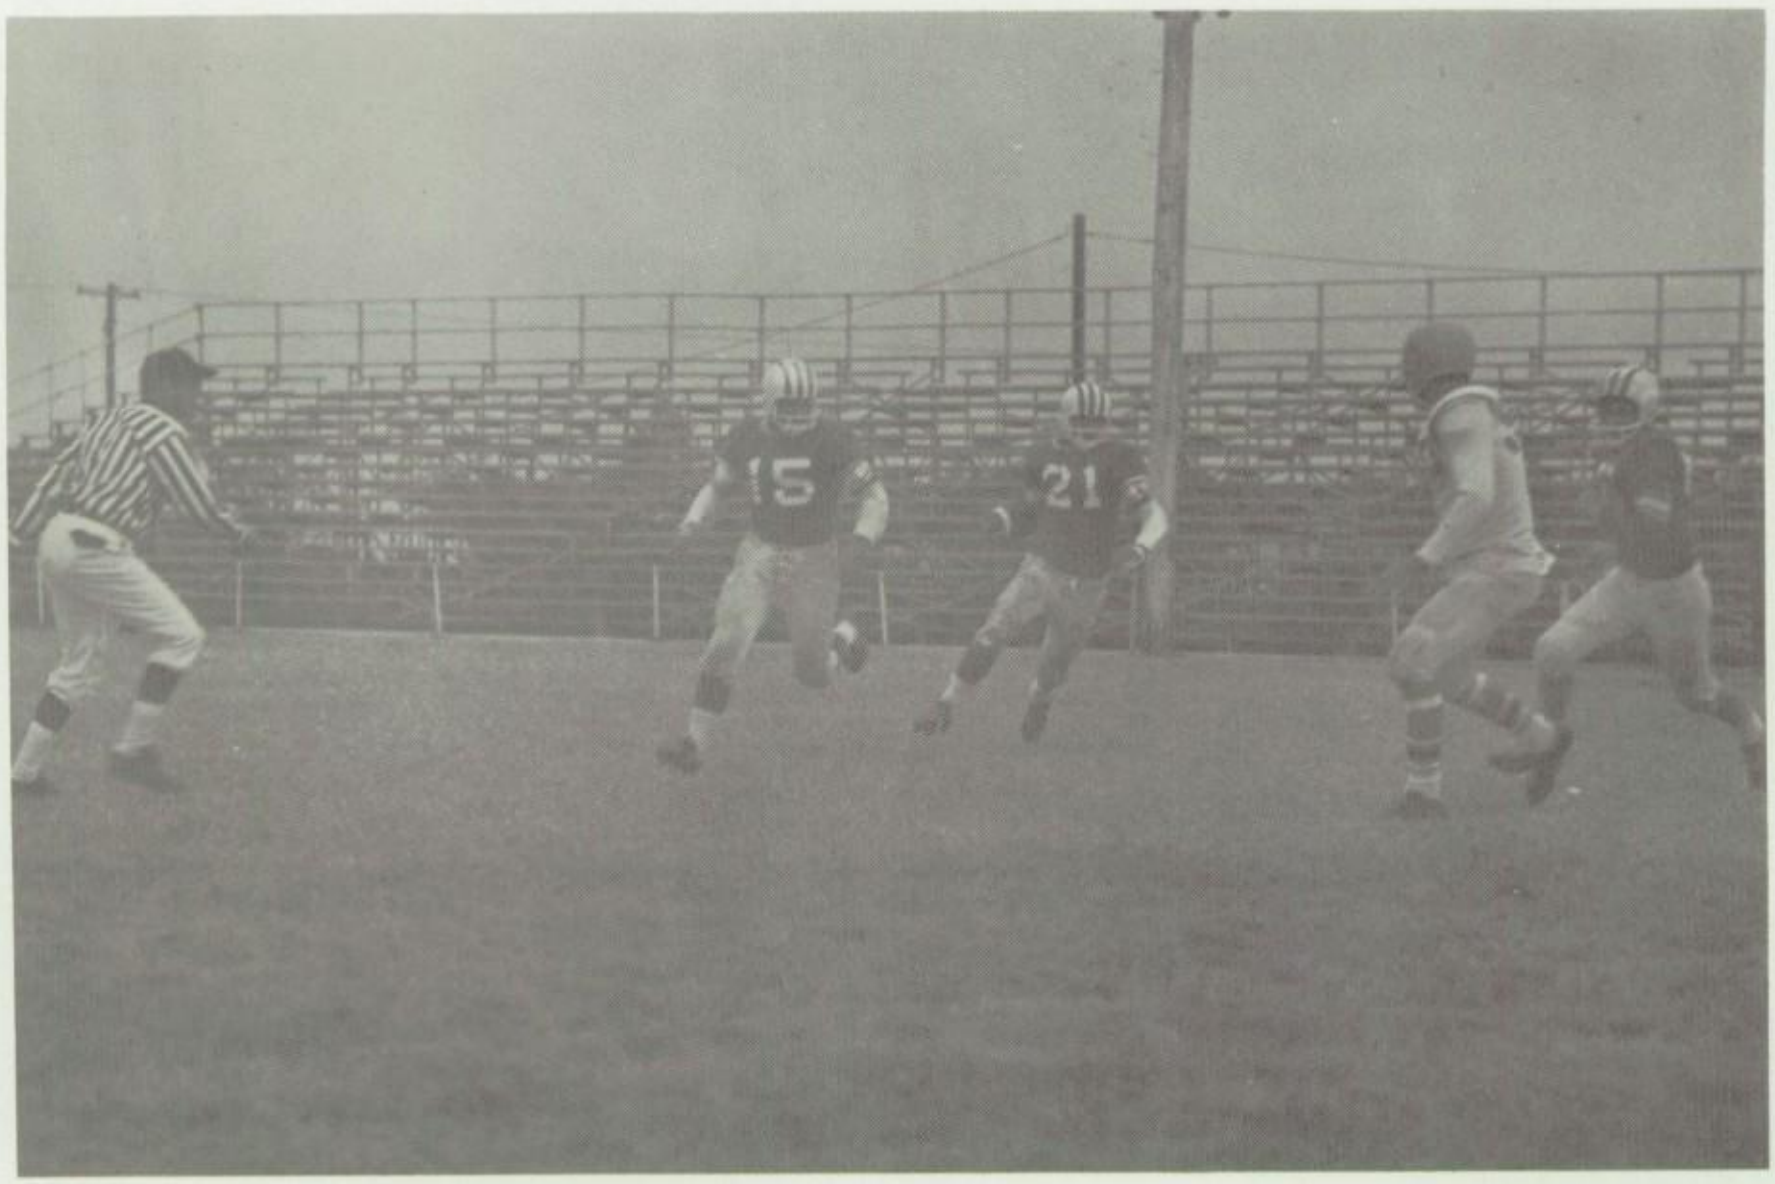
STRONG RUNNING such as here shown by Michaud gave the junior varsity an undefeated season.

TURNING THE CORNER with a burst of speed, Urban easily outdistances fallen defender.



BECAUSE OF HARD BLOCKING and equally hard running, it took a great deal to bring Brungardt down, as Southeast found out in their (6-14) defeat to Kapaun.



SOPHOMORE FOOTBALL

Pitted against strong opponents, Kapaun's sophomores proved a determined and talented team. Dual quarterbacks Angulo and Schreck found ready receivers in Sullivan and McGill and strong runners in Cortest and Campbell. Offensive and defensive lines, sparked by Wright, Funke, and Ward, offer little consolation to Varsity and B-teams Kapaun will face next season.

Behind the quarterbacking of Munley, the sure hands and fleet feet of Schwan, Bomgardner, and Steven, and the aggressiveness of both offensive and defensive lines, the freshmen sported a respectable 3-1-1 record.

OUT OF REACH, Roy turns in for a first down and more.

First row: (left to right) Steven, Knolla, Barrett, Law, Konecny, Haines, Bainum. *Second row:* Leahy, Colliatie, Ruane, Roy, Munley, Dillon, Wagner. *Third row:* VonFeldt, Bomgardner, Schwan, Alexander, Sommers, Dannevik, Dwerlkotte, Squires. *Fourth row:* Waitt, Krsnich, Atkinson, Szczepanik, Strothman, Rossillion, Engels.

IN SPITE OF defenders, fullback Bomgardner plows up middle behind tough blocking of offensive line.

Strong teams fought well for Kapaun and the Victory Cannon often fired.

OUR DISTANCE RUNNERS start out on pre-meet warm-ups.

ENGELS makes his move on the leaders.

CROSS-COUNTRY

The cross-country team had only one returning letterman, Dennis Cleary, but with the help of Don Clement, Jim Engels, Ken Englert, Ken Korphage, Mike Law, Bob Leftwich, John O'Brien, and Cliff Titus, it managed a respectable season. While this year's team did not run away with any meets, it nevertheless showed fine prospects for next year, being composed entirely of freshmen, sophomores, and juniors.

Cross-Country Team: (Top) David Vincent, Chuck Lewis, Mike Law, Bob Leftwich, Elmer Peters, Jim Engels, Cliff Titus. *(Middle)* Mr. Walendy, Dennis Cleary, Bill Woodhouse, Ken Englert, John O'Brien, Ken Korphage. *(Bottom)* Mark Mitchell, Pat McCoy, Tom Angulo.

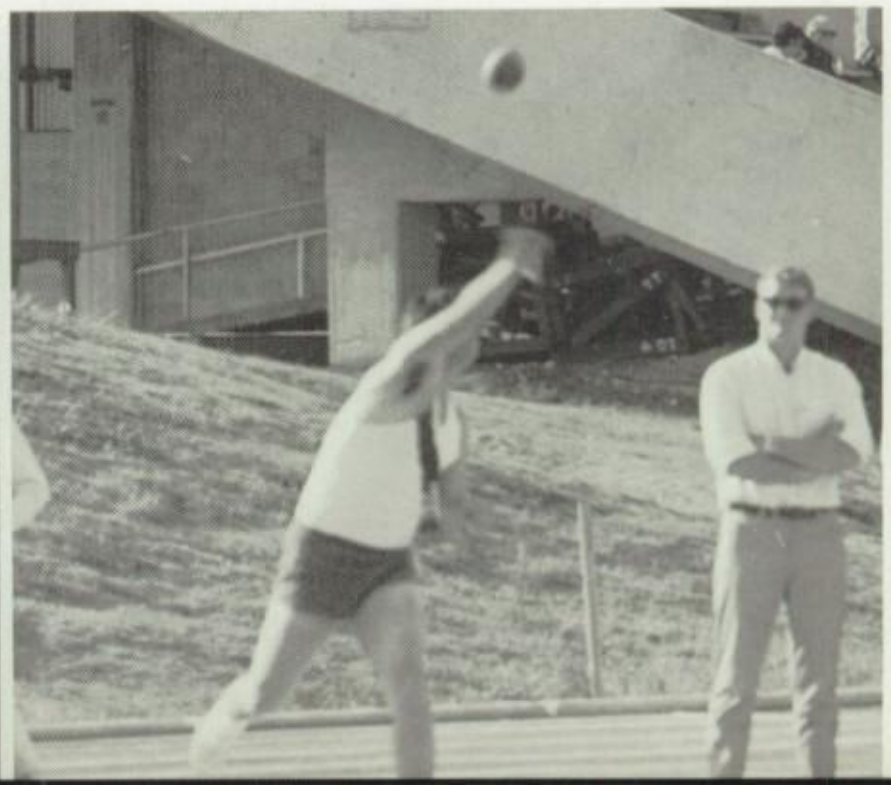
TRACK

HICKEL PUSHES into his winning stride.

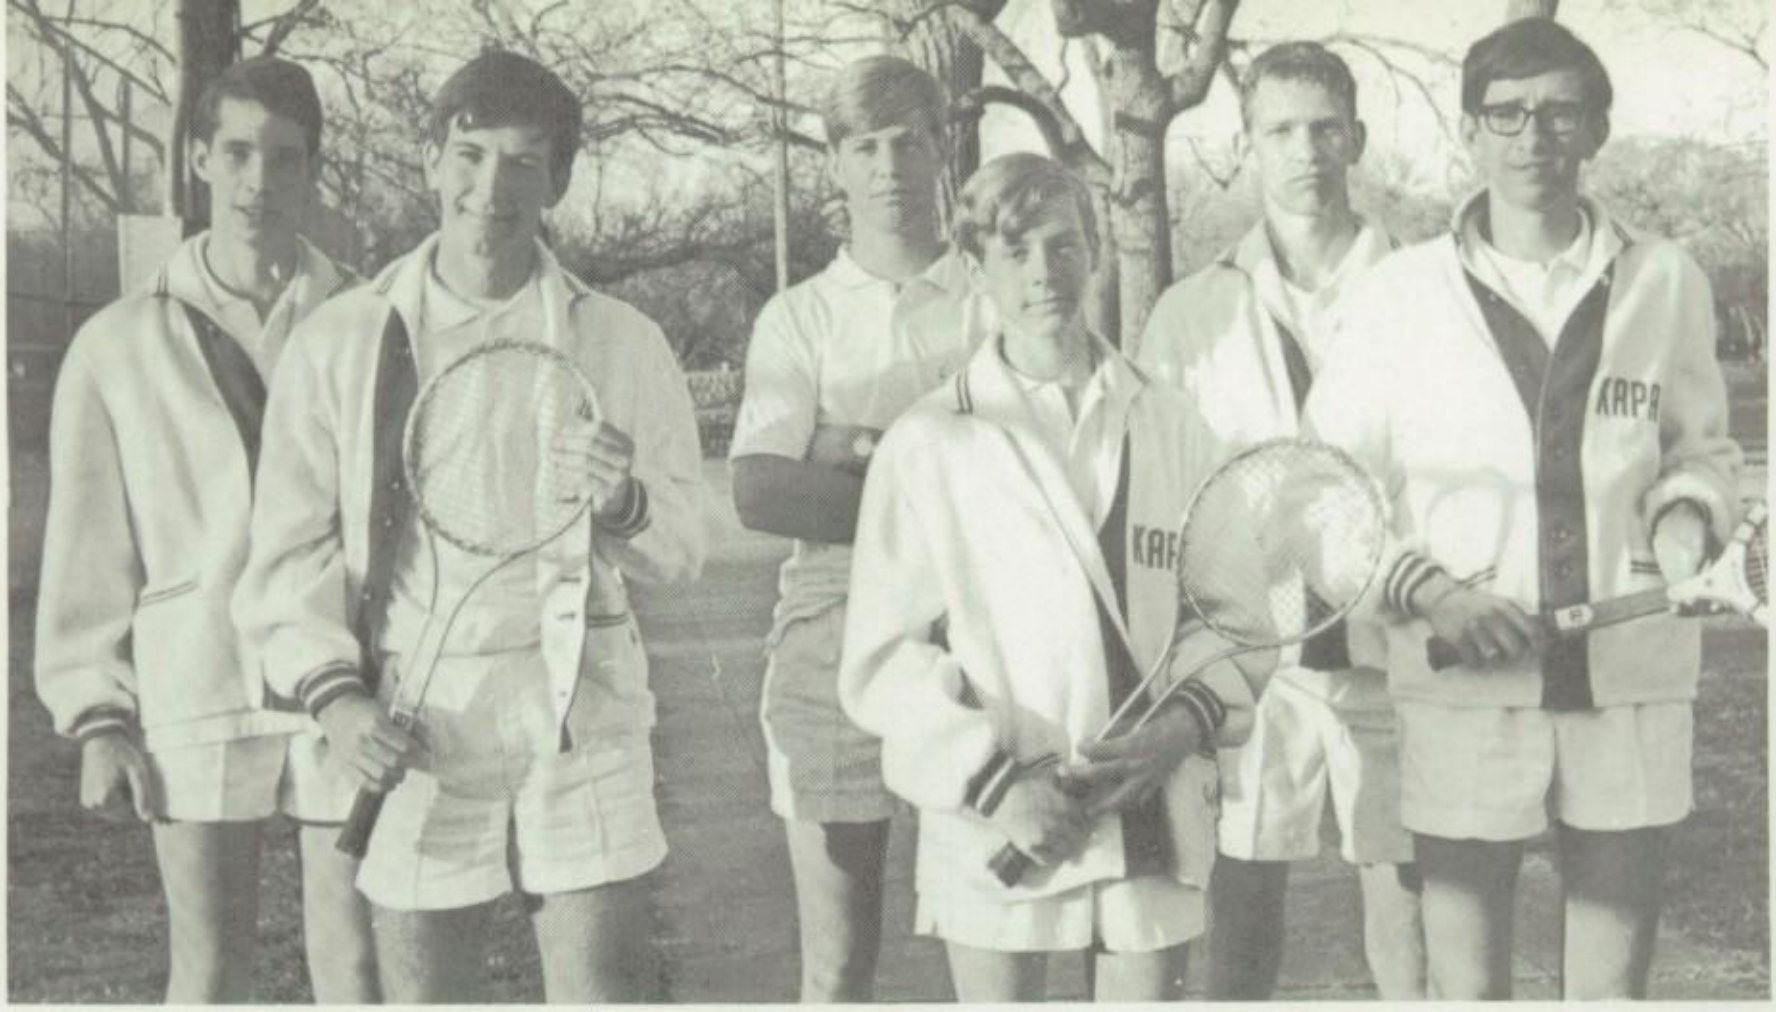
This year's track season witnessed some outstanding individual achievements for the Kapaun cindermen. Half-miler Roger Hickel did well in every meet, finishing consistently in the high ranks of the competition. He won the Southeast Relays, ran first in the Regional, and captured third in the state, putting himself among the top four individual scorers in Kapaun's history. Kurt Krider, another senior, set the school record for the javelin throw with an outstanding 191 feet, 4 inches. Mike Gorges, another senior classman, won the Height's meet in the shotput with a 50 feet, 1 inch hurl. Brian Schreck, a promising sophomore, hit a personal high in the high jump, 5 feet 10 inches.

FORCING HIMSELF through a powerful pivot, Gorges unleashes for distance.



Track Team. Front row (l-r): Mike Szczepanik, Ron Mersman, Ron Bainum, Brad Hickel, Ron Schauf, Brad Steven, Dan Barret, Ron Engels. *Middle row:* Coach Porter, Chris Kreidler, Ken Englert, Pat Michaud, Mike Alexander, Don Clement, John O'brien, Dennis Cleary. *Back row:* Bob Leftwich, Brian Schreck, Danny Andrew, Dan Kriszcziokaitis, Adrian Montgomery, Jim Engels, Roger Hickel, Coach Henning. (Not shown: Cliff Titus).

SHOOTING FOR RECORD MARK. Krider approaches his mark, and gives it his all.



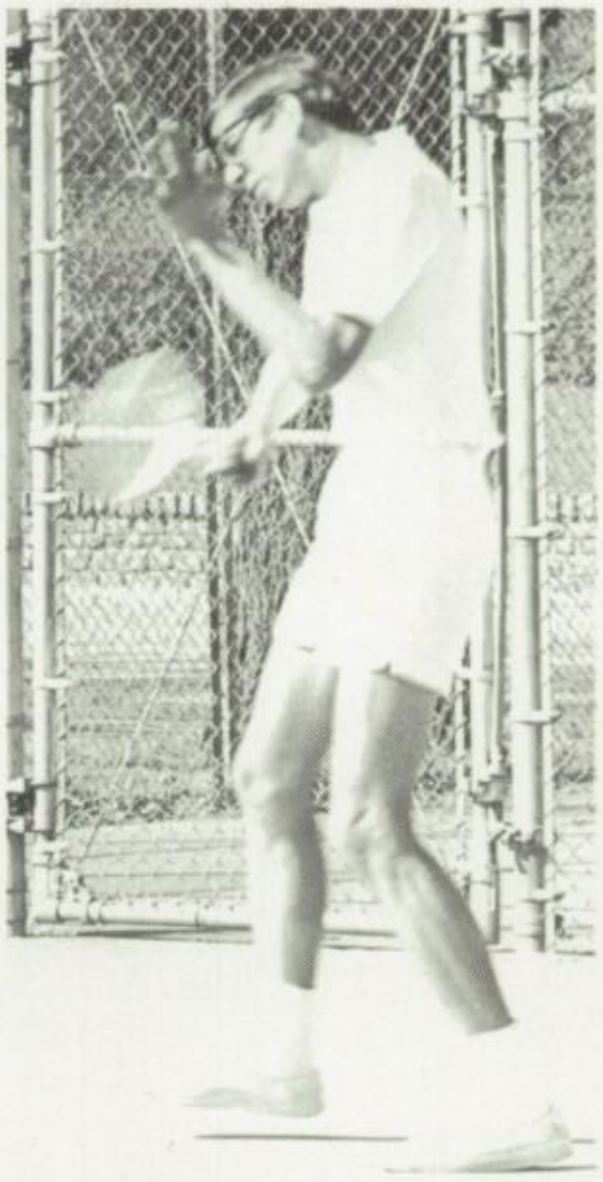
Kapaun's Tennis Team (l to r): Rob Spies, Doug Oxler, Steve Sommers, Proctor Ritchie, Mike Lickteig, and Don Letourneau.

TENNIS

One of the strongest teams in Kapaun's history took the courts this year. Led in city play by an undefeated Doug Oxler (7-0), our team compiled a 6-1 record, bowing only to a stiff Southeast showing (6-3). Kapaun, however, rebounded to take first place in the city-wide North Invitational. Oxler went on into State play, bringing home the third place trophy.

RITCHIE BUILDS 7-0 record.

LETOURNEAU AGGRESSIVELY meets ball.



FORMIDABLE: Lickteig, Sommers.

SHOWING STRONG FORM, Oxler moves easily into an undefeated season.

OUR CONTEMPLATIVE COACH, Mr. Burtschi, breaks reverie to score meet.

This year's golf team was 2nd in the city, fighting its way to a close tie with West. Moving into Regional play, it pulled out a respectable 3rd place. SENIOR REVIEW

"Mission Improbable" successfully marked Kapaun's entrance in movie making. Cast, filmed, directed, and edited totally by seniors (Mr. Bader did give some advice.), the 1968 SENIOR REVIEW drew capacity crowds for every performance — fit recognition for cameraman Wade Hinds, production managers, P. J. Hutsey, Jim Robinson, Paul Walters, and crew.
